

### MULTI-PURPOSE ABSORBENT

Fleetline Multi-Purpose Absorbent provides an excellent solution to spill clean-up for:

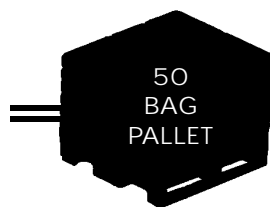

- ✓ **Automotive:** Garages, service stations and terminals are just a few of the many places where Fleetline makes the difference between hazards and safe working conditions. Multi-Purpose Absorbent meets OSHA requirements.
- ✓ **Industrial:** Fleetline is the natural choice for accident prevention, removing potential fire hazards, floor protection and easy clean-up. It's completely safe for removing oils, water, grease, solvents, inks, resins and other liquids. This superior performance product is approved by Underwriters Laboratories.

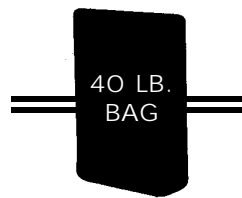

Fleetline Multi-Purpose Absorbent can be used for all of the following applications:

- ✓ **Garages and Service Stations** – Ideal on floors, driveways, under lifts, around drums and lubricating racks.
- ✓ **Fuel Oil** – Dries up spots around oil burners, oil tanks and fill pipes.
- ✓ **Cranes** – Keeps walkways dry and safe.
- ✓ **Elevator Shafts** – Absorbs oil and grease build-up.
- ✓ **Floors** – Absorbs spilled oils, greases and other fluids. Reduces fire hazard risks.
- ✓ **Basements** – Absorbs moisture.
- ✓ **Heat Treatment** – Heat treated parts that have been immersed in oil can be dried completely using absorbent.
- ✓ **Platforms** – Provides better traction on loading platforms.
- ✓ **Commercial Printers** – Absorbs ink, solvent and oil spills in the pressroom.
- ✓ **Storm Drains** – Absorbs water and moisture.
- ✓ **Warehouses** – Absorbs oil and eliminates slipping hazards, improves traction.
